SUBJECT: Forwarding of copies of the Atlantic Public Water Supply Work Plan to Atlantic Municipal Utilities (A.M.U) and the Iowa Department of Natural Resources (IDNR)

Enclosed are two bound copies of the work plan outlining activities planned for the soil-gas survey to be conducted in Atlantic, Iowa. This site investigation is authorized under Technical Directive Document, TDD #F-07-8701-15 and PAN #FIA0194SI. As this is a state site, it is requested that a copy of the work plan be forwarded to the IDNR Coordinator of the Atlantic Public Water Supply Site, Ms. Jean Carleton. It is also requested that a copy of the work plan be sent to Mr. Richard Stevens, Superintendent of the A.M.U. so that appropriate arrangements can be made by the A.M.U. regarding utility lines and property access.

Field work is scheduled to commence the week of August 24, 1987. It is imperative that the work plan copies are sent as soon as possible so that an adequate amount of time is available to the parties concerned to make the appropriate arrangements regarding the site investigation.

Work plan copies are to be sent to:

Jean Carleton  
 Iowa Department of Natural Resources  
 Wallace Office Building  
 Des Moines, Iowa 50319

Mr. Richard Stevens, Superintendent
